

Young Harmony – “Strength” Lyrics

I NEVER KNEW LOVE

I was going through the motions, just pretending.
Taking chances one by one, but never winning.
Till I searched for something real, I could believe.
When I found the love that changed the heart of me.

I never knew love like this, till I met Jesus
Never could feel this much till He touched me.
All my life I never knew what happiness could be
And I didn't know what I missed, cause I never knew love like this.

Now forever is a word I'm understanding.
Cause my destiny is what He has His hand in.
And I know this love can only grow in time.
I never let go of this feeling so sublime.

I never knew love like this, till I met Jesus
Never could feel this much till He touched me.
All my life I never knew what happiness could be.
And I didn't know what I missed, cause I never knew love like this.

I never knew love like this, till I met Jesus
Never could feel this much till He touched me.
All my life I never knew what happiness could be
And I didn't know what I missed, cause I never knew love like this.

I never knew love.
I never knew love like this.

GOD'S STILL GOD

He took water, turned it into wine.
He healed the cripple, gave sight to the blind.
With just a few fish and a little bread,
there were over 5,000 people that were fed.

He took a drunkard, washed him white as snow.
And a lady of the night, He cleansed and made her whole.
There was a body where all the bones were crushed,
until Jesus healed them with one mighty special touch.

Now God's still God, He has not changed.
God's still God and He'll always be the same.
He said, "Ask you shall receive, if you'll only believe".

He's waiting on you to say God's still God.
What about you, are you living in pain?
I'm here to say, you don't have to live that way.
When Jesus died on Calvary,
He gave His life for you to be saved and believe, that ...
(repeat chorus)

LET IT GO

Let it go, give it to Jesus
Let it go, the guilt you feel inside
You don't have to be defeated
When there's nothing left for you to hide
Just let it go.

She was standing at the crossroads of disappear
Wondering does the God above even care
Her innocence had been lost, boundaries had been crossed
Time had built a wall of resentment, pain and loss

Everyone she loved had walked away
all alone in an unfamiliar place
She cried out from her heart, Lord have I gone to far
She spoke the name of Jesus and heard him say

Let it go, give it to Jesus
Let it go, the guilt you feel inside
You don't have to be defeated
When there's nothing left for you to hide

Is that you, drowning in your yesterdays
Going down like a ship upon the sea
You don't have to be defeated, don't have to live that way
Would you allow Him to set you free

LET ME BE

Let me be a little kinder
Let me be a little blinder,
to the faults of those about me.
Let me praise a little more.
Let me be when I'm weary,
just a little bit more cheery
Think a little more of others and a little less of me.

Let me be a little braver,
when temptation bids me waiver.
Let me strive a little harder,
to be all that I should be.
Let me be a little meeker,
with the brother that is weaker.
Let me think more of my neighbor
and a little less of me.

Let me be when I'm weary,
just a little bit more cheery
Let me serve a little better,
those that I am striving for.
Let me be a little meeker,
with the brother that is weaker.
Think a little more of others and a little less of me.

WHAT IF HE DIDN'T

He chose pain over comfort
Suffering, over sin
Tempted, tried and tested
He chose me over Him.
He washed the feet of servants
Broke bread with the least
Looked beyond their faults and flaws
chose to see their need

What if He didn't walk on water
What if He didn't calm the sea
What if He put His worries, wants, and will above you and me
What if He spared Himself that Heartache on the road to Calvary
Or let that cup pass away, where would we be
We know that He did, but what if He didn't

He didn't have to feed the thousands
He could have only fed Himself
He could've kept on walking
Past the woman at the well
He didn't have to heal the sick, one person (soul) at a time
Or stop those stones from being thrown
He could've been the first in line.

What if He didn't walk on water
What if He didn't calm the sea
What if He put His worries, wants, and will above you and me
What if He spare Himself that heartache on the road to Calvary
Or let that cup pass away, where would we be
We know that He did, but what if He didn't

He gave up all the riches of the world
And chose to give me more than I am worth.

Repeat Chorus

I CAN MEND YOUR FENCES

I was living in the fast lane
not quite getting anyplace.
The dreams I'd been working for,
disappeared without a trace.
And with my life in pieces,
the hope inside my heart had slipped away.
But through the silence of a lonely night
I began to hear my Savior say.

I can mend your fences, I can help you right what's wrong.
I can calm the waters, I can take away the storm.
I can let the sunshine in, I'm where the rainbow begins.
I can mend your fences, just call on my name.

Wounded and used up, I came back to Calvary.
If it hadn't been for Jesus, I don't know where I would be
And even though He knew me, He still forgave my every sin.
I know that I'm not worthy, but I can hear my Savior say again,

I can mend your fences, I can help you right what's wrong.
I can calm the waters, I can take away the storm.
I can let the sunshine in, I'm where the rainbow begins.
I can mend your fences, just call on my name.

I can let the sunshine in, I'm where the rainbow begins.
I can mend your fences, just call on my name.
I can mend your fences, just call on my name

I WILL TRUST IN THE LORD

As for me, I will trust in the Lord
As for me, I will trust in the Lord
I've built my house on solid ground
Upon the Rock that's never let me down
As for me, I will trust in the Lord

I've found Him faithful, strong and true
There's not one thing my God can't do
He's given everything I need and so much more
So I will lift His holy name
With all my heart I will proclaim
As for me, I will trust in the Lord

Some place their confidence in man
But I find my strength within His hands
For He has never, ever let me down before
So when I face the enemy
My song of victory will be
As for me, I will trust in the Lord

He is strong
He is sure
I will trust in the Lord
He is the Rock that will endure
I will trust in the Lord

LIGHT YOUR WORLD

Two doors down one rocking chair is rocking.
She sits there all alone, her husband dead and gone.
The best years of her life they spent together.
He was always strong, but now she's on her own.
And the telephone never rings
No one laughs, no one sings
It's quite there. Does anyone care?

Light your world
Let the love of God shine through
In the little things you do
Light your world
And though your light may be
Reaching only two or three.
Light your world.

A knocking at her door breaks the silence.
She looks out to see the little boy from down the street.

She cracks the door surprised that he came over.
Flowers in his hand like a little gentlemen
G- He said I picked these just for you.
Hope you like the color blue
Could I stay awhile?
I love to see you smile.

REPEAT CHORUS

It only takes a little time
To show someone how much you care
It only takes a little time
To answer someone's biggest prayers

REPEAT CHORUS

TRUST HIS HEART

All things work together for our good
Though sometimes we can't see how they could
Struggles that break our hearts into
Sometimes blind us to the truth
Our Father knows what's best for us
His ways are not our own
So when your pathway grows dim
And you just can't see Him
Remember He's still on the throne

God is too wise to be mistaken
God is too good to be unkind
So when you don't understand
When you don't see His plan
When you can't trace His hand,
Trust His heart

He sees the master plan
He holds our future in His hands
So don't live as those who have no hope
All our hope is found in Him
We walk in present knowledge
But He sees the first and the last
And like a tapestry
He's weaving you and me
To someday be just like Him

REPEAT CHORUS

He alone is faithful and true
He alone knows what is best for you.

FOR GOODNESS SAKE

When I was down to my last prayer,
You were there to love me.
Just when I thought nobody cared
You were thinking of me.
I went down for my last time,
You came to my rescue.
Now after all You've done for me, I'm totally committed to live for You.

And for goodness sake, I'll take up my cross
And follow You whatever the cost.
I'll trust in You with every step I take.
I'm gonna live for You for goodness sake.

Two thousand years have come and gone
But still the battle's raging the tug of war
between right and wrong
that every day we're facing to
To want to spend my life
Helping others see the truth
'Cause after all You've done for me
I'm totally committed to live for you.

REPEAT CHORUS

You saw my sin
You took the blame
Because of me
You suffered shame
For all the pain I put you through
Lord, giving You my life
is the least I can do.

REPEAT CHORUS

MIRACLE IN THE MAKING

The crowd was great, but she knew she had to reach Him.
It was her last hope of ever being healed.
So she pressed through, until she touched His garment.
Right then and there, her miracle was fulfilled.

Have you prayed and prayed, but still you've heard no answer.
Has your faith grown weak and you feel you're all alone.
Don't give up, for the God I serve won't leave you.
You'll get your miracle if you'll just keep pressing on.

There's a miracle, in the making.
One just for you the Father is working even now.
Your prayers have been heard and the answer on the way.
There's a miracle in the making for you today.

Your prayers have been heard and the answer on the way.
There's a miracle in the making for you today.

SO YOU WOULD KNOW

How many times, must I prove how much I love you?
And how many ways, must my love for you, I show
And how many times must I rescue you from trouble
For you to know how much I love you
Didn't I wake you up this morning; you were clothed in your right mind
Didn't you walk right to your closet, each step right in time?
When you were weak on life's journey, didn't my angels carry you?
So you would know, so you would know, so you would know
Just how much I love you
How many days must I build a fence all around you
And how many nights, must I wipe all your tears away.

And how many storms, must I bring you safely through
So you will, so you will know just how much, just how much,
He really loves you?
Didn't I wake you up this morning; you were clothed in your right mind
Didn't you walk right to your closet, each step right in time?
When you were weak on life's journey, didn't my angels carry you?
So you would know, so you would know, so you would know
Just how much I love you
Oh, Didn't I put food on your table when your bills were all past due
And when the pain got so bad in your body, didn't I send healing right to you
And when you were lost in sin and sorrow, well I died just to set you free
So you would know, so you would only know, so you would know
Just how much I love you.

MAY TOMORROW

May tomorrow be a perfect day
May you find love and laughter along the way
May God keep you, in His tender care.
Till He brings us together again.

Good night, everyone!
